If the Examiner believes that there are any informalities that can be corrected by Examiner's amendment, or that in any way it would help expedite the prosecution of the patent application, a telephone call to the undersigned at (561) 989-9811 is respectfully solicited.

The present application, after entry of this response, comprises sixteen (16) claims, including one (1) independent claim. Applicants have previously paid for thirty-nine (39) claims including three (3) independent claims. Applicants, therefore, believe that a fee for claims amendment is currently not due.

A petition for extension of time to file this Response within the first month is hereby incorporated herein. The Commissioner is authorized to charge the extension fee of \$120, or if this fee amount is insufficient or incorrect, then the Commissioner is authorized to charge the appropriate fee amount to prevent this application from becoming abandoned, to Deposit Account 50-1556.

The Commissioner is hereby authorized to charge any fees that may be required or credit any overpayment to Deposit Account 50-1556.

In view of the preceding discussion, it is submitted that the claims are in condition for allowance. Reconsideration and re-examination is requested.

Respectfully submitted,

Date: September 7, 2006
